Well the winter has arrived bringing with it the high winds & rain, causing fences to be blown down, gutters blocked, fallen trees and leaves everywhere.

If any of the problems above sound familiar and need some help don't hesitate to contact us.

Snow and Salt spreading

We might not have the snow YET, but this year a lot of business's and people got caught out. Unable to get out of driveways, business's closing, car parks un useable and most of all causing health and safety issues. Contact us for a quotation, anything from providing you with bags of rock salt, salt bins or having us clear the areas and keeping them salted.

Machinery

This is really the time of year that your mower, strimmer etc become redundant; this will give you a chance to clean them all up and service them. If you're unable to do this and local to the Surrey & West/East Sussex area, I recommend a friendly company in Turners Hill West Sussex called Ray Fosters Garden Machinery you can get hold of them on 01342714774 or at www.rjasltd.co.uk

Lawns

If the weather is "open" (neither frosty nor wet) and the surface is firm, mow once with blades set high. If worm casts appear, apply autumn top-lawn. Keep the lawn clear of fallen leaves and other debris. November is far too late for seed sowing but it is good month for laying turf.

Planting pots and containers

Still not too late for bulbs to bring spring colour to your garden to add that extra colour to your tubs and containers whether it is dwarf tulips in reds, yellows or bi-colours, dwarf daffs, crocus or snowdrops. Remember bulbs are good value as they come up year after year.

If you would like to know more details about any of our services please don't hesitate to contact us or visit us at www.jm-properties.co.uk

Thank you

James moore

Mr James Moore

New feedback has been kindly received within the last month.
